We accept 2 and 3 year old funding from 15 - 30 hours a week.

Childcare funding is intended to cover the cost of offering quality education and care, it is not intended to cover the costs of extras provided such as snacks, hygiene products, parties, gifts, trip, sun cream and seasonal enhancement resources.

We therefore request a voluntary fairer funding contribution to cover consumable cost for all children using 2, 3 and 4 year funded hours.

We are grateful to our families for their contributions which ensure we can remain sustainable. All fees are subject to change in the line with any updated legislation from the Government.
