

Accidents/injuries/incidents

If your child/ren has any injuries/had an accident before arriving at the Pre-School, then it is important we are informed so it can be recorded on an accident at home form prior to your child/ren commencing their session with us.

If your child/ren has an accident, incident, injury, treatment is administered during their session at the Pre-School, you will be informed in detail to what happened and what action was taken. You will also be asked to sign an accident form, so a record is kept indicating what happened and that you have been made aware. You will also receive a copy of the information you have signed for.

Illness

We request that if your child/ren is unwell then they do not attend the Jungle Hut. Not only do we feel this is unfair on them to attend but we also must consider the other children and members of staff.

If a child has suffered from a stomach bug they must not return until symptoms have been clear for 48 hours.

Children should remain away from Pre School if they have any of the following:

Chicken pox	7days from onset of rash, all spots must be dried up before returning.
Measles	7days from appearance of rash.
German measles	Until recovered from symptoms
Mumps	Minimum of 7days (until swelling has gone down).
Diarrhoea/sickness	48hours from last symptoms.
Head lice	Until treatment has been received.
Scarlet Fever	Until recovered from symptoms
Impetigo	Until skin has healed
Whooping cough	7 days from start of treatment
Hand foot & mouth	Until recovered from symptoms

If you are unsure whether your child is well enough to attend, please contact us prior to bringing your child to Pre School and a member of staff will be happy to advise.
